

Second Chance and Impact Collective Host Alumni Art Day!

Second Chance hosted its first Alumni Art Day to provide an opportunity for past participants to create art that will be eligible and turned into marketable NFTs (click [here](#) for a helpful explainer.) The event took place on Thursday, August 4th, 2022 from 3pm - 7pm at Second Chance's headquarters in Southeast San Diego.

San Diego City Council President pro Tem and District 4 Representative Monica Montgomery Steppe attended the event and said: "Second Chance is a beacon of hope and opportunity for individuals across the region who are rebuilding their lives after the impact of incarceration. This innovative partnership with The Impact Collective further bolsters and diversifies their programming by empowering their alumni to express their creativity and turn it into a profitable NFT."

The NFT artwork will be available for purchase on September 16, at www.theimpactcollective.com
