

Nathan celebrates graduating!

Last Thursday, November 10th was graduation day for Job Readiness Training (JRT) Class #259!

It was also a special graduation for Nathan!

Graduation from a past life of addiction.

Graduation from homelessness.

These graduations have given him life changing opportunities. Nathan just received his 30-day sobriety token, and has secured a full time job with a well-known, local business. He has also reconnected with his 16 year old daughter.

"JRT facilitator Estella Nunez and the Job Readiness Training program, class and staff gave me hope and confidence as well as opportunities I never thought I would have! Because of the things I learned about myself, I gifted Ms. Estella my 30-day sobriety token. Without JRT, it's hard to think of where I would be." said Nathan.

Now Nathan is looking forward to his future where he can have his own apartment, be involved in his daughter's life, and become an important and helpful member of his family and community. Congratulations Class #259 and Nathan!

President/ CEO of Second Chance Program Bill Payne addressed the 14 member JRT Class #259 on Thursday, November 10. This class was the first class in JRT history where each member of the class had received a job before graduating!
